We offer Direct-Hire and Temporary Services

Mackey Staffing & Co. is recruiting our healthcare heroes and placing them into the communities that need them most! We understand that recruiting the very best talent within the hospital & healthcare system is more important now than ever. We also understand that due to the pandemic, working within budget is necessary. As a contingency agency, Mackey Staffing & Co. provides full-cycle recruiting services at no charge until an offer of employment is extended.

Mackey Staffing & Co. is a trusted staffing partner in permanent and temporary placement. We have over 30 years of candidate profiles and client data – proof that we know the market! Our mission is to make the right match for our candidates and clients.
